

Create a Feature Flag

Follow these steps to create a feature flag in Monetate.

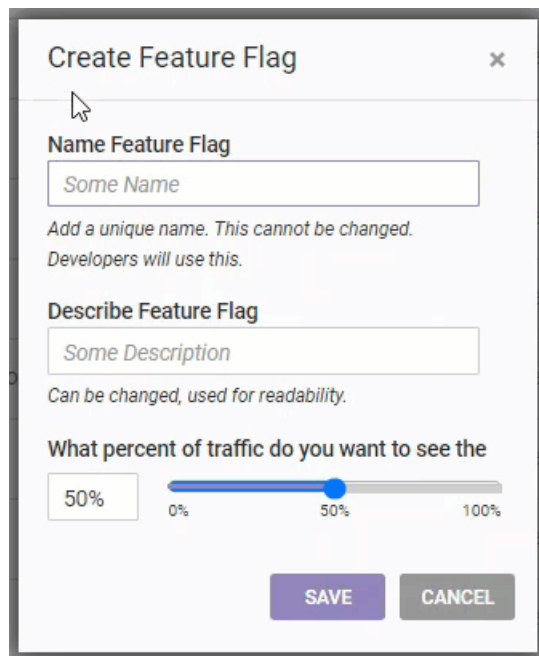

1. Click **COMPONENTS** in the top navigation bar, and then select **Feature Flags**.

2. Click **CREATE FEATURE FLAG**.

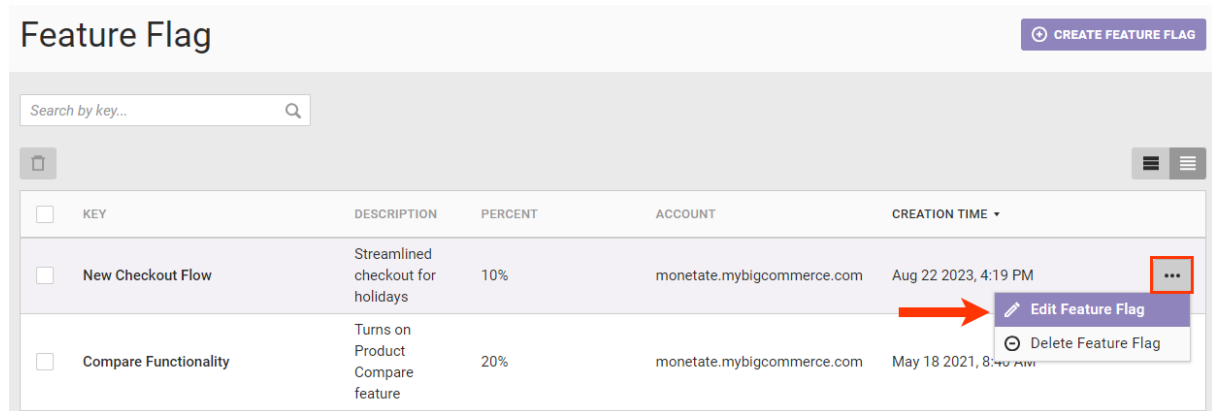

3. Type a name and description for the feature flag into the respective fields, then use the slider to set a traffic percentage, and then click **SAVE**.

A screenshot of the 'Create Feature Flag' dialog box. The dialog has a title bar with 'Create Feature Flag' and a close button. It contains three main sections: 1. 'Name Feature Flag' with a text input field containing 'Some Name' and a note: 'Add a unique name. This cannot be changed. Developers will use this.' 2. 'Describe Feature Flag' with a text input field containing 'Some Description' and a note: 'Can be changed, used for readability.' 3. 'What percent of traffic do you want to see the' with a slider control. The slider is set to 50%, with a text input field also showing '50%'. The slider has markers at 0%, 50%, and 100%. At the bottom of the dialog are two buttons: 'SAVE' and 'CANCEL'.

Editing a Feature Flag

Follow these steps to edit a feature flag.

1. Hover your mouse pointer within the row for the feature flag that you want to edit, click the additional options menu (...) that appears at the end of the row, and then click **Edit Feature Flag**.

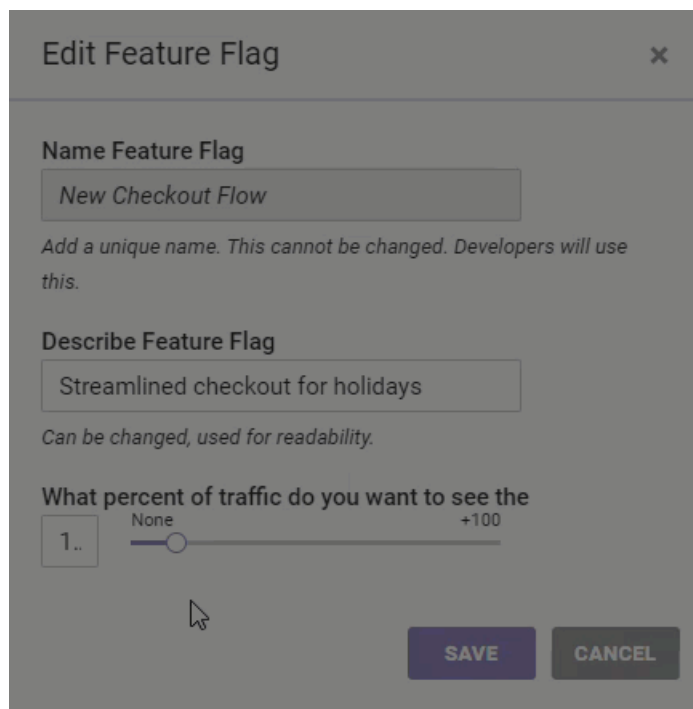

Feature Flag

CREATE FEATURE FLAG

Search by key...

KEY	DESCRIPTION	PERCENT	ACCOUNT	CREATION TIME
<input type="checkbox"/> New Checkout Flow	Streamlined checkout for holidays	10%	monetate.mybigcommerce.com	Aug 22 2023, 4:19 PM
<input type="checkbox"/> Compare Functionality	Turns on Product Compare feature	20%	monetate.mybigcommerce.com	May 18 2021, 8:40 AM

2. Revise the feature flag as necessary in the Edit Feature Flag modal, and then click **SAVE**.

Edit Feature Flag

Name Feature Flag

New Checkout Flow

Add a unique name. This cannot be changed. Developers will use this.

Describe Feature Flag

Streamlined checkout for holidays

Can be changed, used for readability.

What percent of traffic do you want to see the

1% None +100

SAVE CANCEL

Deleting a Feature Flag

Follow these steps to delete a feature flag.

Before deleting a feature flag, ensure that the necessary changes have been made to the relevant code so that the feature is not negatively impacted.

1. Hover your mouse pointer within the row for the feature flag that you want to delete, click the additional

options menu (...) that appears at the end of the row, and then click **Delete Feature Flag**.

The screenshot shows the 'Feature Flag' management interface. At the top right is a 'CREATE FEATURE FLAG' button. Below it is a search bar labeled 'Search by key...'. A table lists feature flags with columns for KEY, DESCRIPTION, PERCENT, ACCOUNT, and CREATION TIME. The 'New Checkout Flow' flag is highlighted, and its options menu is open, showing 'Edit Feature Flag' and 'Delete Feature Flag' options. A red arrow points to the 'Delete Feature Flag' option.

KEY	DESCRIPTION	PERCENT	ACCOUNT	CREATION TIME
<input type="checkbox"/> New Checkout Flow	Streamlined checkout for holidays	50%	monetate.mybigcommerce.com	Aug 22 2023, 4:19 PM
<input type="checkbox"/> Compare Functionality	Turns on Product Compare feature	20%	monetate.mybigcommerce.com	

2. In the Delete Feature Flag modal, click the checkbox to acknowledge that you understand you're permanently deleting the feature flag, and then click **DELETE**.

The screenshot shows the 'Delete Feature Flag' modal dialog. The title is 'Delete Feature Flag'. The main text asks 'Are you sure you want to delete New Checkout Flow?'. Below this is a checkbox with a checkmark and the text 'I understand that deleting this feature flag will be permanent'. At the bottom, there are two buttons: 'DELETE' (highlighted with a red arrow) and 'CANCEL'.
