Click **ACTIVE** or **INACTIVE** to open the Experiences modal, which has a list of active and inactive experiences in which a slotted recommendation is used.

The screenshot shows the 'Experiences for Holidays' modal. It contains a table with the following data:

NAME	TYPE
Holidays Clearance	Active
Post-Black Friday Holidays Promos	Inactive

Click the name of an experience in the modal to view it on the Experience Editor page.

A green icon in the STATUS column indicates that the slotted recommendation has successfully been processed. A yellow icon indicates the slotted recommendation is still being processed.
