Pin Products on Category Pages

When you pin products using Monetate's Personalized Category Pages feature, you ensure the selected products always appear as the first ones on the first list page for the category.

Pinning Products for a Category

Follow these steps to create a default rule that pins one or more products to the beginning of a category's list pages for a single store.

1. Click **COMPONENTS** in the top navigation bar, select **Personalized Search**, and then click the appropriate product catalog on the Personalized Search list page.

2. Click the Smart Category Merchandising icon in the left-hand vertical toolbar, and then select Single Store.

3. Click MANAGE RULES & FACETS.
